LICENCE TO IMPORT CONTROLLED DRUGS.

In accordance with the provisions of the Drugs (Misuse) Act and of the powers delegated to him by the Governor, the Specialist in Community Medicine of the Gibraltar Health Authority (hereinafter called `the Specialist') hereby grants to (hereinafter called `the licensee') a licence to import from the following controlled drugs, namely:
subject to the following conditions:

1. The licence does not authorise the licensee, to obtain, be in possession of or deal with, the controlled drugs named herein other than in accordance with the provisions of the Act.
2. The licence is available only for the controlled drugs of the exact quantity, kind and form specified above.
3. The licence does not relieve the importer from compliance with any regulations in force for the time being relating to the importation of goods into, or transshipment of goods in, Gibraltar or with any Post Office regulations for the time being in force in Gibraltar nor from any rules or regulations respecting the transmission of articles by post which may for the time being be in force, whether within Gibraltar or elsewhere.
4. The licence is valid only for the licensee and may be revoked at any time by the Specialist, to whom it shall in that event be immediately surrendered. It shall be produced for inspection when required by any duly authorised officer.
5. The licence, unless sooner revoked, shall continue in force for six calendar months from the date hereof. It shall be produced to the Specialist

1. The licence does not authorise the licensee to obtain, be in possession of or deal with the controlled drugs named herein other than in accordance with the provisions of the Act.
2. The licence is available only for controlled drugs of the exact quantity, kind and form specified above.
3. The licence does not relieve the licensee from compliance with any regulations in force for the time being relating to the exportation of goods from Gibraltar nor from any provision of the Post Office Act, or of any Post Office regulations for the time being in force, nor from any rules or regulations respecting the transmission of articles by post which may for the time being be in force, whether within Gibraltar or elsewhere.
4. If the drugs are authorised to be exported by ship the attached duplicate copy shall accompany the consignment to the place of destination and for this purpose the licensee shall cause it to be delivered to the master of the vessel by which the consignment is despatched. (See Note 2).
5. If the drugs are authorised to be exported by post the attached duplicate copy shall be placed inside the outer wrapper of the parcel containing the drugs. If the drugs are contained in more than one parcel, the duplicate copy shall be placed inside the outer wrapper of one of them; the parcels shall be consecutively numbered on the outer wrapper, and on each parcel there shall be legibly stated the number of the parcel in which the duplicate copy is to be found. (See Note 3).
6. The licensee, if so required by the Specialist, shall produce to him within such time as he may allow, proof to his satisfaction that the drugs were at the destination named in this licence, and in the event of non-compliance with this condition the authorisation shall be deemed void and of no effect.
7. The licensee shall furnish to the Specialist such returns of the goods exported by him in pursuance of this licence as may from time to time be required.
8. The licence is valid only for the licensee and may be revoked at any time by the Specialist. It shall be produced for inspection when required by any duly authorised officer.
9. The licence, unless sooner revoked, shall continue in force for three calendar months from the date hereof. It must be produced at the time of export to
