EU Legislation/International Agreements involved:

In accordance with the provisions of section 8 of the Construction (Government Projects) Act 2009 I have issued the following Notice.

Title.

1. This Notice may be cited as the Construction (Government Projects) (Construction of Tunnel Etc.) Notice 2009.

Issue of Certificate.

2. The following certificate has been issued under section 3 of the Construction (Government Projects) Act 2009—

**Government of Gibraltar
No 6 Convent Place
Gibraltar**

**Certificate under Section 3 of the Construction (Government
Projects) Act
2009**

Part 1

2009-29

Construction (Government Projects)

CONSTRUCTION (GOVERNMENT PROJECTS) (CONSTRUCTION OF TUNNEL ETC.) NOTICE 2009

**Subsidiary
2009/095**

The Certification

I hereby certify under and for the purposes of section 3 of the Construction (Government Projects) Act 2009, that it is necessary and desirable in the public interest that the construction works described in Part 2 below be executed and continued during restricted hours, subject to the conditions, restrictions and limitations set out in Part 3 below.

Part 2

Description of works

Works relating to the construction of a tunnel under the eastern end of the airport runway, and related construction works at both ends of that tunnel which would be affected by airport safety operational rules.

Part 3

Conditions, restrictions and limitations

- i. This authorisation relates solely to the construction of the tunnel under the eastern end of the airport runway and related construction works at both ends of that tunnel but only within those areas that would be affected by the airport safety operational rules.
- ii. The contractor is required to comply with any and all conditions or restrictions that may be imposed by the airport and other pertinent authorities, with construction work being undertaken with the defined working hours stipulated by the airport authority.
- iii. The contractor is required to employ all reasonable means for the suppression of noise and night time lighting, as is stipulated in the Construction Environmental Management Plan.
