Management and control.

4. Subject to the provisions of section 11, the Savings Bank shall be under the management and control of the Director who may, subject to the provisions of this Act and any rules made thereunder, take such steps as may be desirable for the encouragement of thrift, for the proper management of the Savings Bank, and otherwise for the promotion of the objects and purposes of this Act.

Establishment and closure of branch savings bank.

5. The Director may, with the approval of the Governor, open branch savings banks in Gibraltar and may, with the like approval, close any branch savings bank.

Deposits and repayments.

7. Deposits of money to be paid into the Savings Bank shall be received and repaid under such conditions as may be prescribed.

Security of Government.

8. The repayment of all moneys deposited in the Savings Bank together with interest thereon is guaranteed by the Government, and accordingly if at any time or times the assets of the Savings Bank shall be insufficient to pay the lawful claims of every depositor, the Governor shall cause such deficiency to be met out of the Consolidated Fund, and the Financial and Development Secretary shall certify such deficiency to the Governor without delay.

Interest.

9.(1) Interest shall be payable on deposits at such rates as may be fixed from time to time by the Governor with the prior approval of a Secretary of State:

Provided that -.

- (a) where the rate of interest is increased not less than one month's notice, or
- (b) where such rate is decreased, not less than three month's notice,

Shall be given in the Gazette.

(2) Such interest shall not be payable on any amount less than £1 or on any fraction of £1 and shall not commence to accrue until the first day of the month next following the day of deposit, and shall cease on the last day of the month preceding that in which such deposit shall be withdrawn.

(3) Interest on deposits shall, subject to the provisions of subsection (2), be calculated to the 31st day of March in every year and shall then be added to and become part of any principal money remaining on deposit.

Expenses

10. All expenses incurred in the execution of this Act shall be met from the moneys in the Savings Bank.

Disposal of moneys.

11.(1) Subject to the provisions of this Act, moneys in the Savings Bank shall not be applied in any way to the purposes of Gibraltar but, except so far as any sums may be prescribed to be kept in hand for the general purposes of the Savings Bank, shall be deposited in the Treasury and shall, as far as practicable, be invested on behalf of the Savings Bank, under the direction of the Financial and Development Secretary, in such securities or be employed at interest in such manner as shall be approved from time to time by the Governor, or, in the case of moneys remitted to London for investment, by a Secretary of State, and any such investment may at any time be changed into other like securities:

Provided that not more than one-third of such moneys shall at any time be or remain invested in securities of the Government of Gibraltar.

(2) Any sums of money that may from time to time be required for the repayment of any deposit or deposits under the authority of this Act, or for the payment of interest thereon or expenses incurred in the execution of this Act, may be raised by the sale of the whole or part of such securities:

Provided that any sums of money which may be required for such purposes, may, with the approval of the Governor, be advanced to the Savings Bank by the Financial and Development Secretary out of the Consolidated Fund until they can be raised by the sale of such securities, and such advances shall bear interest at the rate from time to time payable to depositors.

Unclaimed deposits.

11A.(1) Where the amount standing to the credit of a depositor's account is less than £25 and for a period of seven years no money is or has been deposited therein or withdrawn therefrom, the Director shall—

- (a) cause to be published in the Gazette a notice to the effect that unless a claim to such amount is established to the satisfaction of the Director on or before a specified day (which day shall not be less than six months after the publication of the said notice) the said amount shall be transferred to the Consolidated Fund;
- (b) at the time of the publication of such notice, and in addition thereto, cause copies of it to be exhibited at the Head Office of the Savings Bank and at every office open for the transaction of Government Savings Bank business with the public; and

(2) If no claim is established as aforesaid, the Director shall at any time after the day specified in the notice, transfer to the Consolidated Fund the amount standing to the credit of such account.

(3) Any amount transferred to the Consolidated Fund under subsection (2) shall cease to earn interest from the date of the transfer.

Payments from lapsed deposits.

11B.(1) If at any time after an amount standing to the credit of a depositor has been transferred to the Consolidated Fund under section 11A, any claimant establishes to the satisfaction of the Director a claim to the whole or any part thereof, the Director shall certify in writing the sum to which such claimant appears to be entitled.

(2) The Accountant General on production of such certificate from the Director shall cause the sum certified thereon to be paid to the claimant from the Consolidated Fund.

13.(1) If in any year the revenue of the Savings Bank shall be insufficient to defray the interest due to depositors and all expenses incurred in the execution of this Act, such deficiency shall be met out of the Consolidated Fund.

(2) If in any year the revenue of the Savings Bank shall be more than sufficient to defray the interest due to depositors and all expenses incurred

in the execution of this Act, then the Governor may direct the transfer of the surplus, or any portion thereof to the Consolidated Fund:

Provided that no such transfer shall be made unless the assets of the Savings Bank will thereafter exceed the liabilities by not less than fifteen per cent of the liabilities to depositors.

(3) If on the 31st day of March in any year the assets of the Savings Bank exceed the liabilities by more than fifteen per cent of the liabilities to depositors then the Governor, with the prior consent of a Secretary of State, may direct that the surplus over fifteen per cent or any portion thereof shall be transferred to the Consolidated Fund.
