SCHEDULE 2
RED LIST COUNTRIES

Civil Contingencies

2007-14

Civil Contingencies Emergency (Coronavirus) (Requirements on Entry into Gibraltar and Testing) Regulations 2021

2021/270

In exercise of the powers conferred on her by section 11 of the Civil Contingencies Act 2007, and all other enabling powers, the Minister with responsibility for Civil Contingencies, acting with the consent of the Chief Minister, has made these Regulations-

Title.

1. These Regulations may be cited as the Civil Contingencies Emergency (Coronavirus) (Requirements on Entry into Gibraltar and Testing) Regulations 2021.

Commencement.

2. These Regulations come into operation on the day of publication and cease to have effect on 15th June 2021.

Statement in accordance with section 11(2) of the Act.

3. The Minister declares that –

- (a) there is an outbreak of Coronavirus which on the 11th March 2020 the World Health Organisation (WHO) declared to be a pandemic; at the time of the publication of these Regulations there are approximately 162,177,376 confirmed cases globally and more than 3,364,170 have died; the virus has so far reached 235 countries, areas or territories, and it is therefore necessary to take measures to prevent, mitigate and control the spread of the virus in Gibraltar;
- (b) she is satisfied, in accordance with section 11 of the Act, that there exists a situation which threatens serious damage to human welfare in Gibraltar and which involves, causes or may cause loss of human life and human illness or injury;
- (c) conditions in section 12 of the Act are met;
- (d) these regulations contain only provisions which are appropriate for the purpose of preventing, controlling or mitigating an aspect or effect of the emergency in respect of which the regulations are made; and
- (e) the effect of these regulations is in due proportion to that aspect or effect of the said emergency.

Interpretation.

4. In these Regulations–

2007-14

Civil Contingencies

2021/270

Civil Contingencies Emergency (Coronavirus) (Requirements on Entry into Gibraltar and Testing) Regulations 2021

“amber list country” means a country, territory or other area not listed in either Schedule 1 or Schedule 2;

“Coronavirus” means the coronavirus (SARS-CoV-2) also known as the coronavirus disease (Covid-19);

“fully vaccinated person” means a person that has received two doses of a two dose series vaccine or has received a single dose vaccine and 14 days have elapsed since it was administered;

“green list country” means a country, territory or other area listed in Schedule 1;

“MHRA” means the Medicines and Healthcare products Regulatory Agency;

“PCR test” means a polymerase chain reaction test;

“proof of vaccination” means a document that has been approved by the Director of Public Health confirming that a person is a fully vaccinated person;

“red list country” means a country, territory or other area listed in Schedule 2;

“vaccine” means a vaccine that provides inoculation against coronavirus and has regulatory approval from the MHRA

Duty to report.

5. Any person entering Gibraltar who has been in an amber list country or red list country in the 10 day period preceding their date of arrival into Gibraltar must, at the point of entry into Gibraltar, report this information to-

- (a) an officer of the Borders and Coastguard Agency, if entering by land or by the Gibraltar airport; or
- (b) an officer of the Gibraltar Port Authority, if entering by vessel.

Requirements for a person entering Gibraltar after being in a green list country.

6.(1) Subject to subregulation (3), a person travelling by air into Gibraltar after being in green list country in the 10 day period preceding their date of arrival must-

**Civil Contingencies Emergency (Coronavirus)
(Requirements on Entry into Gibraltar and Testing)
Regulations 2021**

2021/270

- (za) satisfy the requirements in regulation 8B if they are not a fully vaccinated person;
- (a) book a lateral flow test with a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health prior to or on their arrival; and
- (b) take the test referred to in paragraph (a) within 24 hours of their arrival.

(2) A person that intends to remain in Gibraltar for 7 days following their date of arrival must take an additional lateral flow test, provided by a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, 5 days following the test referred to in subregulation (1)(a).

(3) This regulation does not apply to—

- (a) a person that has been in an amber list country or red list country in the 10 day period preceding their date of arrival into Gibraltar; or
- (b) a person under the age of 12.

Requirements for a person entering Gibraltar after being in an amber list country.

7.(1) Subject to subregulations (3) and (5), a person entering Gibraltar after being in an amber list country in the 10 day period preceding their date of arrival into Gibraltar must—

- (za) satisfy the requirements in regulation 8B if they have travelled into Gibraltar by air;
- (a) book a PCR test with a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health prior to their arrival;
- (b) take the test referred to in paragraph (a) on the day of their arrival;
- (c) self-isolate for 5 days following their arrival into Gibraltar; and
- (d) take an additional PCR test, provided by a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, on the fifth day of the self-isolation period referred to in paragraph (c).

(2) The requirement to self-isolate under subregulation (1)(c) is not completed until the requirement in subregulation (1)(d) has been met and a person authorised in writing by the Director of Public Health has confirmed that the self-isolation period has been completed.

2007-14

Civil Contingencies

2021/270

Civil Contingencies Emergency (Coronavirus) (Requirements on Entry into Gibraltar and Testing) Regulations 2021

- (3) Subregulation (1) does not apply to a fully vaccinated person.
- (4) A fully vaccinated person entering Gibraltar after being in an amber list country in the 10 day period preceding their date of arrival into Gibraltar must—
- (a) book a lateral flow test, with a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, prior to their arrival into Gibraltar;
 - (b) take the test referred to in paragraph (a) on the day of their arrival; and
 - (c) take an additional lateral flow test, provided by a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, five days following the test referred to in paragraph (a).
- (5) This regulation does not apply to
- (a) a person that has been in a red list country in the 10 day period preceding their date of arrival into Gibraltar; or
 - (b) a person under the age of 12.

Requirements for a person entering Gibraltar via land or sea after being in a red list country.

- 8.(1) Subject to subregulations (3) and (5), a person entering Gibraltar via land or sea after being in a red list country in the 10 day period preceding their date of arrival into Gibraltar must—
- (a) book a PCR test with a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health prior to their arrival;
 - (b) take the test referred to in paragraph (a) on the day of their arrival;
 - (c) self-isolate for 10 days following their arrival into Gibraltar; and
 - (d) take an additional PCR test, provided by a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, on the tenth day of the self-isolation period referred to in paragraph (c).

**Civil Contingencies Emergency (Coronavirus)
(Requirements on Entry into Gibraltar and Testing)
Regulations 2021**

(2) The requirement to self-isolate under subregulation (1)(c) is not completed until the requirement in subregulation 1(d) has been met and a person authorised in writing by the Director of Public Health has confirmed that the self-isolation period has been completed.

(3) Subregulation (1) does not apply to a fully vaccinated person.

(4) A fully vaccinated person entering Gibraltar after being in a red list country in the 10 day period preceding their date of arrival into Gibraltar must—

- (a) book a PCR test upon their arrival into Gibraltar with a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health;
- (b) take the test referred to in paragraph (a) on the day of their arrival; and
- (c) take an additional PCR test, provided by a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, five days following the test referred to in paragraph (a).

(5) This Regulation does not apply to a person under the age of 8.

Requirements for a person travelling to Gibraltar by air after being in a red list country.

8A.(1) Subject to subregulation (2), no person—

- (a) travelling into Gibraltar by air; and
- (b) who has been in a red list country in the 10 day period preceding their date of arrival into Gibraltar,

may enter Gibraltar.

(2) Subregulation (1) does not apply to a person (P) if P proves to the satisfaction of an immigration officer that P-

- (a) falls within the definition of a Gibraltarian pursuant to section 4 of the Gibraltarian Status Act;
- (b) is a lawful resident of Gibraltar;
- (c) is a seafarer who-

2007-14

Civil Contingencies

2021/270

Civil Contingencies Emergency (Coronavirus) (Requirements on Entry into Gibraltar and Testing) Regulations 2021

- (i) is on transit to a vessel which is berthed or at anchor within British Gibraltar Territorial Waters;
 - (ii) holds a valid seafarer's book; and
 - (iii) has a letter of guarantee from a shipping agent registered in Gibraltar;
- (d) is a Spanish national and is on transit to Spain;
- (e) intends to transit Gibraltar for the purposes of entering Spain and P-
- (i) is lawfully resident in Spain, and
 - (ii) is or will be allowed to enter Spain from Gibraltar;
- (f) is carrying out a work activity in Gibraltar or who are taking up employment in Gibraltar;
- (g) is a member of the armed forces and P has been issued with a travel order that states that Gibraltar is P's destination;
- (h) has, in exceptional circumstances, been granted permission by the Borders and Coastguard Agency to enter Gibraltar and is the holder of a letter, electronic or otherwise, issued by the Borders and Coast Guard Agency granting P leave to enter Gibraltar.
- (3) Subject to subregulations (5) and (7), a person entering Gibraltar through Gibraltar Airport and proving to the satisfaction of an immigration officer that they satisfy one of the conditions in subregulation (2) must–
- (za) satisfy the requirements in regulation 8B;
 - (a) book a PCR test with a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health prior to their arrival;
 - (b) take the test referred to in paragraph (a) on the day of their arrival;
 - (c) self-isolate for 10 days following their arrival into Gibraltar; and
 - (d) take an additional PCR test, provided by a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, on the tenth day of the self-isolation period referred to in paragraph (c).

**Civil Contingencies Emergency (Coronavirus)
(Requirements on Entry into Gibraltar and Testing)
Regulations 2021**

(4) The requirement to self-isolate under subregulation (3)(c) is not completed until the requirement in subregulation (3)(d) has been met and a person authorised in writing by the Director of Public Health has confirmed that the self-isolation period has been completed.

(5) Subregulation (3) does not apply to a fully vaccinated person.

(6) A fully vaccinated person entering Gibraltar through Gibraltar Airport after proving to the satisfaction of an immigration officer that they satisfy one of the conditions in subregulation (2) must –

- (a) book a PCR test upon their arrival into Gibraltar with a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health;
- (b) take the test referred to in paragraph (a) on the day of their arrival; and
- (c) take an additional PCR test, provided by a registered nurse, medical practitioner or person authorised in writing by the Director of Public Health, five days following the test referred to in paragraph (a).

(7) This Regulation does not apply to a person under the age of 8.

(8) In these Regulations-

“immigration officer” includes an officer of the Borders and Coast Guard Agency and an officer of the Gibraltar Port Authority.

Pre-departure testing requirements.

8B.(1) A person (P) who–

- (a) arrives into Gibraltar by air; and
- (b) is not a fully vaccinated person; or
- (c) has been in a red list country 10 day period preceding their date of arrival into Gibraltar,

must, upon their arrival, provide an immigration officer with a negative coronavirus test result.

2007-14

Civil Contingencies

2021/270

Civil Contingencies Emergency (Coronavirus) (Requirements on Entry into Gibraltar and Testing) Regulations 2021

(2) The test taken to provide the negative coronavirus test result referred to in subregulation (1) must—

- (a) have been taken by P within the 48-hour period prior to P's arrival into Gibraltar; and
- (b) meet standards of—
 - (i) 97% specificity or above; and
 - (ii) 80% sensitivity or above at viral loads above 100,000 copies/ml.

(3) The test result referred to in regulation (1) must include—

- (a) P's name as it appears on their travel documentation;
- (b) P's date of birth or age;
- (c) the negative result of the test;
- (d) the date the test sample was collected or received by the company or business administering the test;
- (e) the name and contact details of the company or business that carried out the test;
- (f) the name of the test device.

(4) This regulation does not apply to—

- (a) a person under the age of 12 if they have been in a green list or an amber list country; or
- (b) a person under the age of 8 if they have been in a red list country,

in the 10 day period prior to their arrival in Gibraltar.

Alternative Requirements.

9. The Civil Contingencies Coordinator, on the advice of the Director of Public Health, may issue alternative requirements in writing to a person and where that person has been issued with said alternative requirements, regulations 6, 7, 8, 8A and 8B do not apply.

**Civil Contingencies Emergency (Coronavirus)
(Requirements on Entry into Gibraltar and Testing)
Regulations 2021**

Use of public transport.

10.(1) Subject to subregulation (3), a person arriving in Gibraltar after being in an amber list country or a red list country in the 10 day period preceding their date of arrival into Gibraltar may only use public transport that has been approved by the Civil Contingencies Coordinator.

(2) The restriction on a person referred to in subregulation (1) ends when they receive confirmation of the end of their self-isolation period in accordance with regulations 7(2), 8(2) and 8A(4).

(3) This regulation does not apply to a fully vaccinated person.

Requirement to self-isolate.

11.(1) A person who is required to self-isolate under these Regulations must remain in a place of residence at all times except for any of the following purposes-

- (a) to avoid injury or escape a risk of harm; or
- (b) in order to take a PCR test in accordance with these Regulations.

(2) A person who is required to self-isolate under these Regulations must remain in a single place of residence.

(3) For the purposes of this regulation, “place of residence” includes temporary accommodation such as, but not limited to a hotel or hostel.

Proof of vaccination.

12. Upon entry into Gibraltar, a person claiming to be a fully vaccinated person must provide proof of vaccination when requested to do so by an officer of the Borders and Coastguard Agency or an officer of the Gibraltar Port Authority.

Appeals.

13. A person in relation to whom a requirement is imposed under these Regulations may appeal to the magistrates’ Court against that requirement.

Offences.

14. A person who—

2007-14

Civil Contingencies

2021/270

Civil Contingencies Emergency (Coronavirus) (Requirements on Entry into Gibraltar and Testing) Regulations 2021

- (a) provides false or misleading information intentionally or recklessly to any person carrying out a function under these Regulations;
- (b) obstructs, without reasonable excuse, any person carrying out a function under these Regulations; or
- (c) contravenes these Regulations,

commits an offence and is liable on summary conviction to a fine up to level 5 on the standard scale.

Relationship with Immigration, Asylum and Refugee Act.

14A.(1) Where a person “P” has contravened the provisions of regulation 5 and irrespective of whether P has been prosecuted for that offence under these Regulations-

- (a) for the purposes of the Immigration, Asylum and Refugee Act, the principal Immigration Officer is deemed to have declared P to be a prohibited immigrant pursuant to section 52(1); and
- (b) all the powers under that Act are available as regards P.

(2) The provisions in Part IV (EEA Nationals and Family Members, Swiss Posted Workers) of the Immigration, Asylum and Refugee Act are modified to the extent required to give effect to regulation 8A(1) or 8A(2).

Application.

15. These Regulations do not apply to seafarers that are the subject of any Coronavirus protocol issued by the Captain of the Port.

Amendment to Civil Contingencies Emergency (Coronavirus Infection Risks Mitigation and Control Measures No.14) Regulations 2021.

16.(1) The Civil Contingencies Emergency (Coronavirus Infection Risks Mitigation and Control Measures No.14) Regulations 2021 are amended in accordance with this regulation.

- (2) In regulation 3, subregulation (1), delete the definition for “relevant area”.
- (3) Delete regulation 6.
