**PART I
FORMATION & ATTRIBUTES**

Protected cell companies.

3.(1) Subject to the provisions of this Act, a company may be—

- (a) incorporated as a protected cell company;
- (b) converted, if so authorised by its articles, into a protected cell company.

(2) For the avoidance of doubt, and notwithstanding that a protected cell company may have created one or more cells under this Act—

- (a) a protected cell company is a single legal person; and
- (b) the creation by a protected cell company of a cell does not create, in respect of that cell, a legal person separate from the company.

(3) The provisions of the Companies Act shall, subject to the provisions of this Act, and unless the context requires otherwise, apply in relation to a protected cell company.

Creation of cells.

4. A protected cell company may create one or more cells for the purpose of segregating and protecting cellular assets in the manner provided by this Act.

Cellular and non-cellular assets.

5.(1) The assets of a protected cell company shall be either cellular assets or non-cellular assets.

(2) It shall be the duty of the directors of a protected cell company—

- (a) to keep cellular assets separate and separately identifiable from non-cellular assets; and
- (b) to keep cellular assets attributable to each cell separate and separately identifiable from cellular assets attributable to other cells.

(3) The cellular assets of a protected cell company comprise the assets of the company attributable to the cells of the company.

(4) The assets attributable to a cell of a protected cell company comprise—

- (a) assets represented by the proceeds of cell share capital and reserves attributable to the cell;
- (b) all other assets attributable to the cell.

(5) For the purposes of subsection (4), the expression “reserves” includes retained earnings, capital reserves and share premiums.

(6) The non-cellular assets of a protected cell company comprise the assets of the company which are not cellular assets.

(7) Notwithstanding the provisions of subsection (2), the directors of a protected cell company may cause or permit cellular assets and non-cellular assets to be held–

- (a) by or through a nominee; or
- (b) by a company the shares and capital interests of which may be cellular assets or non-cellular assets, or a combination of both.

(8) The duty imposed by subsection (2) is not breached by reason only that the directors of a protected cell company cause or permit cellular assets or non-cellular assets, or a combination of both, to be collectively invested, or collectively managed by an investment manager, provided that the assets in question remain separately identifiable in accordance with subsection (2).

Position of creditors.

6.(1) The rights of creditors of a protected cell company shall correspond with the liabilities provided for in section 13.

(2) No such creditor shall have any rights other than the rights referred to in this section and in sections 7 and 13.

(3) There shall be implied (except in so far as the same is expressly excluded in writing) in every transaction entered into by a protected cell company the following terms–

- (a) that no party shall seek, whether in any proceedings or by any other means whatsoever or wheresoever, to make or attempt to use any cellular assets attributable to any cell of the company to satisfy a liability not attributable to that cell;
- (b) that if any party succeeds by any means whatsoever or wheresoever in using any cellular assets attributable to any cell of the company to satisfy a liability not attributable to that cell, that party shall be liable to the company to pay a sum equal to the value of the benefit thereby obtained by him; and
- (c) that if any party succeeds in seizing or attaching by any means or otherwise levying execution against any cellular assets attributable to any cell of the company to satisfy a liability not attributable to that cell, that party shall hold those assets or

their proceeds on trust for the company and shall keep those assets or proceeds separate and identifiable as such trust property.

(4) All sums recovered by a protected cell company as a result of any such trust as is described in subsection (3)(c) shall be credited against any concurrent liability imposed under the implied term set out in subsection (3)(b).

(5) Any asset or sum recovered by a protected cell company under the implied term set out in subsection (3)(b) or (3) (c) or by any other means whatsoever or wheresoever in the events referred to in those subsections shall, after the deduction or payment of any costs of recovery, be applied by the company so as to compensate the cell affected.

(6) In the event of any cellular assets attributable to a cell of a protected cell company being taken in execution in respect of a liability not attributable to that cell, and in so far as such assets or compensation in respect thereof cannot otherwise be restored to the cell affected, the company shall—

- (a) cause or procure its auditor, acting as expert and not as arbitrator, to certify the value of the assets lost by the cell affected; and
- (b) transfer or pay to the cell affected, from the cellular or non-cellular assets to which the liability was attributable, assets or sums sufficient to restore to the cell affected the value of the assets lost.

(7) Where under subsection (6)(b) a protected cell company is obliged to make a transfer or payment from cellular assets attributable to a cell of the company, and those assets are insufficient, the company shall so far as possible make up the deficiency from its non-cellular assets.

(8) This section shall apply to cellular and non-cellular assets of a protected cell company wherever situated.

Recourse to cellular assets by creditors.

7. Without prejudice to the provisions of sections 6 and 13, cellular assets attributable to a cell of a protected cell company—

- (a) shall only be available to the creditors of the company who are creditors in respect of that cell and who are thereby entitled, in conformity with the provisions of this Act, to have recourse to the cellular assets attributable to that cell;
- (b) shall be absolutely protected from the creditors of the company who are not creditors in respect of that cell and who accordingly are not entitled to have recourse to the cellular assets attributable to that cell.

Cell shares and share capital.

8.(1) A protected cell company may, in respect of any of its cells, create and issue shares (“cell shares”) the proceeds of the issue of which (“cell share capital”) shall be comprised in the cellular assets attributable to the cell in respect of which the cell shares were issued.

(2) The proceeds of the issue of shares other than cell shares created and issued by a protected cell company shall be comprised in the company's non-cellular assets.

(3) A protected cell company may pay a dividend (a “cellular dividend”) in respect of cell shares.

(4) Cellular dividends may be paid in respect of cell shares by reference only to the cellular assets and liabilities, or the profits, attributable to the cell in respect of which the cell shares were issued; and accordingly, in determining whether or not profits are available for the purpose of paying a cellular dividend, no account need be taken of—

- (a) the profits and losses, or the assets and liabilities, attributable to any other cell of the company; or
- (b) non-cellular profits and losses, or assets and liabilities.

Reduction of cell share capital.

9.(1) Except in the case of a protected cell company which is authorised by the Chief Executive as a collective investment scheme and which is redeeming units or shares in accordance with its scheme particulars, a protected cell company or a holder of cell shares in a cell of a protected cell company may apply to the Court for an order authorising the company to reduce the cell share capital—

- (a) where the applicant is the company, of any of the company's cells; or
- (b) where the applicant is the holder of cell shares, of the cell in which the cell shares are held;

and no reduction of cell share capital may be made except under the authority of, and in accordance with the terms and conditions of, an order of the Court under this section.

(2) In particular, and without prejudice to the generality of subsection (1), the Court may by order authorise the protected cell company—

- (a) to extinguish or reduce the liability on any cell shares in respect of cell share capital not paid up; or
- (b) with or without extinguishing or reducing any liability on any cell shares—

- (i) to cancel any paid-up cell share capital which is lost or unrepresented by available cellular assets; or
- (ii) to pay off any paid-up cell share capital which exceeds the company's wants;

and the company may, so far as is necessary, alter its memorandum accordingly.

(3) The Court shall not make an order authorising the reduction of cell share capital unless it is satisfied—

- (a) that the creditors of the company entitled to have recourse to the cellular assets attributable to the cell in question consent to the reduction; or
- (b) that those creditors would not be unfairly prejudiced by the reduction.

(4) The Court may dispense with the consent of a creditor upon the company securing payment of its liability to the creditor in such form and manner as the Court may direct.

(5) Notice of an application to the Court for an order authorising the reduction of cell share capital shall, at least four weeks before the application is made, be placed in the Gazette setting out the terms of the application and the date, time and place of the hearing.

(6) Notice of an application to the Court for an order authorising the reduction of cell share capital shall be given to—

- (a) the protected cell company (except where the company is itself the applicant);
- (b) the cell liquidator (if any);
- (c) the liquidator (if any) of the company;
- (d) the administrator (if any) of the cell or the company;
- (e) the Chief Executive, in respect of a protected cell company falling under section 11(1)(a) or (b);
- (f) all holders of cell shares of the cell (other than the applicant, in cases where the applicant is the holder of such shares); and
- (g) such other persons as the Court may direct;

who shall each be given an opportunity of making representations to the Court before the order is made.

(7) The Court may dispense with the requirement to give notice to any person or body mentioned in subsection (6).

(8) The Court, on hearing an application for an order authorising the reduction of cell share capital, may make an interim order, or adjourn the hearing, conditionally or unconditionally.

(9) An order of the Court authorising the reduction of cell share capital—

- (a) shall be deemed to be substituted for the corresponding part of the protected cell company's memorandum; and
- (b) shall have effect as if originally contained therein;

but without prejudice to anything done in accordance with the provisions of the memorandum before the date of the order.

(10) If a protected cell company's cell share capital is reduced, no past or present holder of cell shares of the cell in question shall (subject to the following provisions of this section) be liable in respect of any cell share to any call or contribution exceeding the amount of the difference (if any) between the following amounts—

- (a) the amount of the cell share as fixed by the order of the Court authorising the reduction of cell share capital; and
- (b) the amount paid on the cell share or (if appropriate) the reduced amount deemed to have been paid on it.

(11) Subsection (12) and (13) apply if—

- (a) a creditor whose consent is required under this section to the reduction of cell share capital has not, without neglect or default on his part, been given written notice by the company that his consent to the reduction is required; and
- (b) after the reduction of cell share capital, the cellular assets attributable to the cell in question (when account is taken of the company's non-cellular assets, unless there are no creditors in respect of that cell entitled to have recourse to the company's non-cellular assets) are or are likely to be insufficient to discharge the claims of creditors in respect of that cell.

(12) Every person who, at the date of the order of the Court authorising the reduction of cell share capital, was a holder of cell shares of the cell in question shall be liable to contribute, towards payment of the liability in question, an amount not exceeding that which he would have been liable to contribute if the liquidation of the company had commenced on the day before that date.

(13) If a liquidator or voluntary liquidator is appointed in relation to a protected cell company, or if a cell liquidation order is made in respect of the cell of the company in relation to which the order of the Court authorising the reduction of cell share capital was made, the Court, on the application of the creditor in question and upon proof of the matters set out in subsection (11)(a), may if it thinks fit settle a list of persons accordingly so liable to contribute, and may make and enforce calls and orders against the contributories settled on the list as if they were ordinary contributories in the liquidation or voluntary liquidation.

(14) Nothing in subsection (11), (12) or (13) shall affect the rights of the contributories among themselves.

(15) Any officer of a protected cell company who—

- (a) wilfully conceals the name of a creditor whose consent is required under this section to the reduction of the company's cell share capital;
- (b) wilfully misrepresents the nature or amount of the debt or claim of any such creditor; or
- (c) aids, abets, connives in or is privy to any such concealment or misrepresentation as is described in paragraph (a) or (b);

is guilty of an offence and liable—

- (i) on summary conviction, to a fine up to level 5 on the standard scale, imprisonment for a term up to 3 months or both;
- (ii) on conviction on indictment, to a fine, imprisonment for a term up to 2 years or both.

Name and memorandum of protected cell company.

10.(1) The name of a protected cell company shall include the expression "Protected Cell", "PCC" or any cognate expression approved in writing by the Registrar.

(2) The memorandum of a protected cell company shall state that it is a protected cell company.

(3) A protected cell company may, in order to comply with subsection (2), alter its memorandum by special resolution.

(4) Unless and until a protected cell company has complied with the provisions of this section, it shall be deemed not to be a protected cell company.

(5) Each cell of a protected cell company shall have its own distinct name or designation.

Consent of the Chief Executive required for protected cell company.

11.(1) Subject to subsection (2), a company may not be incorporated as a protected cell company, and an existing company may not be converted into a protected cell company, except in accordance with the terms and conditions of the written consent of the Chief Executive, which shall only be granted in the case of a company–

- (a) which is (or which will be) a Gibraltar insurer as defined in section 2 of the Financial Services (Insurance Companies) Act; or
- (b) which is (or which will be) a collective investment scheme authorised by the Authority under the Financial Services (Collective Investment Schemes) Act, 2011.

(2) A company–

- (a) which is established principally for the purposes of issuing bonds, notes or loan or other debt securities or instruments, secured or unsecured, in respect of which the repayment of capital and interest is to be funded from the company's investments; and
- (b) which is not required to be licensed or authorised under the Financial Services (Investment and Fiduciary Services) Act or the Financial Services (Markets in Financial Instruments) Act 2006,

may not be incorporated as a protected cell company, and an existing company may not be converted into a protected cell company except in accordance with the terms and conditions of the written consent of the Chief Executive.

(3) The Minister may by regulations prescribe any other class or descriptions of company which may be incorporated as or converted into a protected cell company with the consent of the Chief Executive.

(4) The Chief Executive may, from time to time, in such manner as he thinks fit–

- (a) vary or revoke any term or condition subject to which a consent under subsections (1) or (2) was granted; and
- (b) impose any new term or condition in relation to any such consent.

Incorporation of company as protected cell company.

12. A person wishing to incorporate a company as a protected cell company shall make an application to the Registrar for the registration of the company's memorandum and articles in accordance with the Companies Act, the provisions of which shall apply accordingly.

Liability of cellular assets.

13.(1) Subject to the provisions of subsection (2), and save to the extent that the company may have agreed that a liability shall be the liability solely of the company's non-cellular assets, or of the cellular assets attributable to a particular cell of the company, where any liability arises which is attributable to a particular cell of a protected cell company—

- (a) the cellular assets attributable to that cell shall be primarily used to satisfy the liability;
- (b) the company's non-cellular assets shall be secondarily used to satisfy the liability, provided that the cellular assets attributable to the relevant cell have been exhausted; and
- (c) any cellular assets not attributable to the relevant cell shall not be used to satisfy the liability.

(2) In the case of loss or damage which is attributable to a particular cell of a protected cell company and which is caused by fraud, the loss or damage shall be the liability solely of the company's non-cellular assets, without prejudice to any liability of any person other than the company.

(3) Any liability not attributable to a particular cell of a protected cell company shall be the liability solely of the company's non-cellular assets.

(4) Notwithstanding the above provisions of this section—

- (a) the liabilities under subsection (1)(a) of the cellular assets attributable to a particular cell of a protected cell company shall abate rateably until the value of the aggregate liabilities equals the value of those assets except that the provisions of this paragraph shall be disregarded in assessing the existence and extent of any secondary liability under subsection (1)(b);
- (b) the liabilities of the company's non-cellular assets shall abate rateably until the value of the aggregate liabilities equals the value of those assets:

(5) This section shall apply to the assets of the company wherever situated.

Disputes as to liability attributable to cells.

14.(1) In the event of any dispute as to—

- (a) whether any right is or is not in respect of a particular cell;
- (b) whether any creditor is or is not a creditor in respect of a particular cell;
- (c) whether any liability is or is not attributable to a particular cell;
- (d) the amount to which any liability is limited;

the Court, on the application of the protected cell company, and without prejudice to any other right or remedy of any person, may issue a declaration in respect of the matter in dispute.

(2) The Court, on hearing an application for a declaration under subsection (1)–

- (a) may direct that any person shall be heard on the application;
- (b) may make an interim declaration, or adjourn the hearing, conditionally or unconditionally;
- (c) may make the declaration subject to such terms and conditions as it thinks fit;
- (d) may direct that the declaration shall be binding upon such persons as may be specified.

Company to inform persons they are dealing with protected cell company.

15.(1) A protected cell company shall–

- (a) inform any person with whom it transacts that it is a protected cell company; and
- (b) for the purposes of that transaction, identify or specify the cell in respect of which that person is transacting, unless that transaction is not a transaction in respect of a particular cell.

(2) If, in contravention of subsection (1), a protected cell company–

- (a) fails to inform a person that he is transacting with a protected cell company, and that person is otherwise unaware that, and has no reasonable grounds to believe that, he is transacting with a protected cell company; or
- (b) fails to identify or specify the cell in respect of which a person is transacting, and that person is otherwise unaware of, and has no reasonable basis of knowing, which cell he is transacting with;

then, in either such case–

- (i) the directors shall (notwithstanding any provision to the contrary in the company's articles or in any contract with the company or otherwise) incur personal liability to that person in respect of the transaction; and
- (ii) the directors shall have a right of indemnity against the non-cellular assets of the company, unless they were fraudulent, reckless or negligent, or acted in bad faith.

(3) Notwithstanding the provisions of subsection (2)(i), the Court may relieve a director of all or part of his personal liability thereunder if he satisfies the Court that he ought to be so relieved because—

- (a) he was not aware of the circumstances giving rise to his liability and, in being not aware, he was neither fraudulent, reckless or negligent, nor acted in bad faith; or
- (b) he expressly objected, and exercised such rights as he had as a director, whether by way of voting power or otherwise, so as to try to prevent the circumstances giving rise to his liability.

(4) Where, pursuant to the provisions of subsection (3), the Court relieves a director of all or part of his personal liability under subsection (2)(i), the Court may order that the liability in question shall instead be met first by any other director or directors whose personal liability is not relieved and thereafter, if necessary, from such of the cellular or non-cellular assets of the protected cell company as may be specified in the order.

(5) Any provision in the articles of a protected cell company, and any other contractual provision under which the protected cell company may be liable, which purports to indemnify directors in respect of conduct which would otherwise disentitle them to an indemnity against non-cellular assets by virtue of subsection (2)(ii), shall be void.

Attribution of non-cellular assets and liabilities.

16.(1) Liabilities of a protected cell company not otherwise attributable to any of its cells shall be discharged from the company's non-cellular assets.

(2) Income, receipts and other property or rights of or acquired by a protected cell company not otherwise attributable to any cell shall be applied to and comprised in the company's non-cellular assets.

Provisions in relation to winding up of protected cell company.

17.(1) Notwithstanding the provisions of the Insolvency Act 2011 or Part X of the Companies Act 2014 or any other statutory provision or rule of law to the contrary, in the liquidation or voluntary liquidation of a protected cell company—

- (a) the assets forming part of the estate shall only be the non-cellular assets;
- (b) the liquidation or voluntary liquidation shall not terminate any agency, or in any way whatsoever affect the authority or power, of any officer, receiver, administrator, servant or agent of the protected cell company in respect of the cellular assets;
- (c) if and to the extent that any liquidator of the protected cell company has any dealing with, or has possession custody or control of, any of the cellular assets, he shall be subject to the duty set out in section 5(2) hereof as if he were a director.

(2) The Insolvency Act 2011 and Part X of the Companies Act 2014 apply to the liquidation or voluntary liquidation of a protected cell company subject to such modifications as are necessary to give effect to subsection (1) and, in the event of any conflict between the provisions in the Insolvency Act 2011, or Part X of the Companies Act 2014, and this Act, this Act prevails.

Transfer of cellular assets from protected cell company.

18.(1) Subject to the provisions of subsection (3), the cellular assets attributable to any cell of a protected cell company, but not the non-cellular assets of a protected cell company may be transferred to another person, wherever resident or incorporated, and whether or not a protected cell company.

(2) A transfer, under subsection (1), of cellular assets attributable to a cell of a protected cell company shall not of itself entitle creditors of that company to have recourse to the assets of the person to whom the cellular assets were transferred.

(3) No transfer of the cellular assets attributable to a cell of a protected cell company may be made except under the authority of, and in accordance with the terms and conditions of, an order of the Court under this section (a “cell transfer order”).

(4) The Court shall not make a cell transfer order in relation to a cell of a protected cell company unless it is satisfied—

- (a) that the creditors of the company entitled to have recourse to the cellular assets attributable to the cell consent to the transfer; or
- (b) that those creditors would not be unfairly prejudiced by the transfer.

(5) The Court, on hearing an application for a cell transfer order—

- (a) may make an interim order or adjourn the hearing, conditionally or unconditionally;
 - (b) may dispense with any of the requirements of subsection (4).
- (6) The Court may attach such conditions as it thinks fit to a cell transfer order, including conditions as to the discharging of claims of creditors entitled to have recourse to the cellular assets attributable to the cell in relation to which the order is sought.
- (7) The Court may make a cell transfer order in relation to a cell of a protected cell company notwithstanding that—
- (a) a liquidator or voluntary liquidator has been appointed in respect of the protected cell company;
 - (b) a cell liquidation order has been made in respect of the cell or any other cell of the company;
 - (c) an administration order has been made in respect of the cell, the company or any other cell thereof.
- (8) Notice of an application to the Court for a cell transfer order shall be served upon—
- (a) any liquidator or receiver of the company or any cell liquidator of the cell concerned;
 - (b) the Chief Executive, in respect of a protected cell company falling under section 11(1)(a) or (b); and
 - (c) such other persons (if any) as the Court may direct.
- (9) The provisions of this section are without prejudice to any power of a protected cell company lawfully to make payments or transfers from the cellular assets attributable to any cell of the company to a person entitled, in conformity with the provisions of this Act, to have recourse to those cellular assets.
- (10) For the avoidance of doubt, a protected cell company shall not require a cell transfer order to invest, and change investment of, cellular assets or otherwise to make payments or transfers from cellular assets in the ordinary course of the company's business.

PART II CELL LIQUIDATION

Cell liquidation orders.

19.(1) Subject to the provisions of this section, if in relation to a protected cell company the Court is satisfied–

- (a) that the cellular assets attributable to a particular cell of the company (when account is taken of the company's non-cellular assets, unless there are no creditors in respect of that cell entitled to have recourse to the company's non-cellular assets) are or are likely to be insufficient to discharge the claims of creditors in respect of that cell;
- (b) that the making of an administration order under section 24 in respect of that cell would not be appropriate; and
- (c) that the making of an order under this section would achieve the purposes set out in subsection (3);

the Court may make an order under this section (a cell liquidation order) in respect of that cell.

(2) A cell liquidation order may be made in respect of one or more cells.

(3) A cell liquidation order is an order directing that the business and cellular assets of or attributable to a cell shall be managed by a person specified in the order (the cell liquidator) for the purposes of–

- (a) the orderly winding up of the business of or attributable to the cell; and
- (b) the distribution of the cellular assets attributable to the cell to those entitled to have recourse thereto.

(3A) The Court shall not appoint a person as cell liquidator under a cell liquidation order unless the person is a licensed insolvency practitioner.

(4) A cell liquidation order –

- (a) may not be made if a liquidator has been appointed to act in respect of the protected cell company;
- (b) may be made in respect of a cell subject to an administration order under section 24;
- (c) shall cease to be of effect upon the appointment of a liquidator to act in respect of the protected cell company, but without prejudice to prior acts.
