**Amendment of the Financial Services Act 2019.**

3. After section 23 of the Financial Services Act 2019, insert–

23A.(1) The Minister may give a direction to the GFSC requiring it, in exercising its functions, to have regard to Government policy in respect of any macro-economic or other public interest of Gibraltar (including, in particular, financial stability) described in the direction.

(2) The Minister must consult the GFSC before giving a direction under subsection (1).

(3) A direction may relate to all regulated persons or to regulated persons of a specified class or description, but may not relate to a particular regulated person.

(4) A direction may specify particular matters to which the GFSC is or is not to have regard in complying with the direction, but those matters must be specified in relation to all regulated persons or a specified class or description of regulated person rather than a particular regulated person.

(5) Subsection (3) or (4) does not prevent the GFSC from taking any steps in respect of a particular regulated person who falls within a specified class or description to which a direction applies.

**Amendment of the Insurance Companies Regulations.**

4. After regulation 13 of the Financial Services (Insurance Companies) Regulations 2020, insert–
