- (2) Condition A or condition B must also be met in relation to a qualifying entity—
- (a) condition A is that no previous authorisation in respect of the entity has been revoked under section 327(2) of the Act, any provision which that section has replaced or a broadly similar provision in another jurisdiction;
 - (b) condition B is that regulation 5(4)(a) is complied with and the GFSC is satisfied that the circumstances in which a previous authorisation was revoked should not prevent the entity from becoming authorised in accordance with regulation 6.
- (3) A qualifying entity which meets either condition A or B becomes an experienced investor fund on the date on which a resolution that the entity is to be an experienced investor fund takes effect (and that date is referred to in these Regulations as the “date of establishment” of the experienced investor fund).
- (4) For the purposes of these Regulations, any person who is a participant in a qualifying entity immediately before it becomes an experienced investor fund is to be treated as a potential participant in relation to the experienced investor fund.

 - (b) within 10 working days of the date of establishment of E as an experienced investor fund.

- (6) Sub-regulation (4)(b) is subject to regulation 21.

(2) Where regulation 5(4)(b) is complied with and E meets condition A in regulation 4(2)(a), E is to be deemed as authorised under these Regulations with effect from the date of E’s establishment as an experienced investor fund.

 - (c) issue a written notice to E authorising it as an experienced investor fund.
- (4) If no notice is issued under sub-regulation (3) within the 10 working day period mentioned in that sub-regulation, E is to be deemed as authorised under these Regulations with effect from the date on which that period expires or, if later, the date of E's establishment as an experienced investor fund.
- (5) If the GFSC issues a notice under sub-regulation (3)(a) or (b), E is not authorised under these Regulations until such time as the GFSC—
- (a) is satisfied by the further information, documents and explanations supplied to it in response to a notice issued under sub-regulation (3)(a);
 - (b) is satisfied that any changes required by a notice issued under sub-regulation (3)(b) have been made; and
 - (c) issues a written notice to E authorising it as an experienced investor fund.
