Title.

1. These Regulations may be cited as the Social Insurance (Contributions) Regulations.

PART I.—GENERAL.

Interpretation.

2. In these Regulations, unless the context otherwise requires,—

“arrears” shall have the meaning assigned to that expression by Part IV;

“Contributions Regulations” means the Employment Injuries (Contributions) Regulations 2001;

“contribution quarter” means a period of 13 or 14 contribution weeks as the case may be;

“due date”, in relation to any contribution under the Act, means the date on which that contribution was due to be paid;

“period of grace”, in relation to any contribution year, means the period beginning with the end of that year and ending on the 30th day of June next following, or such later date as the Director may in any particular case determine;

“voluntary contributor” has the meaning assigned to that expression by regulation 3 of the Voluntary Contributors Regulations.

PART II.—CONTRIBUTIONS.

Definition of “contribution year.”

3. A contribution year in relation to any person shall be the period of fifty-two or fifty-three contribution weeks commencing with the first complete contribution week in any year and ending with the contribution week next preceding the first complete contribution week in the following year.

Application of Employment Injuries (Contributions) Regulations.

- 4.(1) Save in so far as they are expressly varied by, or are inconsistent with, the provisions of the Act or of these regulations, regulation 2 to 8 of the Contributions Regulations shall apply in relation to contributions under the Act as they apply in relation to contributions under the Social Security (Employment Injuries Insurance) Act.

(2) Where, in any one contribution week, a contribution is payable in respect of an employed person under the Act as well as under the Social Security (Employment Injuries Insurance) Act, a single payment shall be made in respect of both such contributions.

(3) Where, in any one contribution week, a contribution is to be paid by a voluntary contributor under the Act as well as a contribution under the Social Security (Employment Injuries Insurance) Act, the voluntary contributor shall retain his voluntary contributions schedules and submit it within 15 days following the expiration of each contribution quarter together with a remittance of the contributions as a voluntary contributor, and a second contribution schedule (which shall be delivered to the employer) shall be used for the payment of the contributions by the employer.

(4) (a) The Director may, if he thinks fit, and subject to such terms and conditions as he may impose, approve any arrangements whereby contributions are paid at times, or in a manner, other than those prescribed in the Contributions Regulations, and any such arrangements may include provision for the payment to the Director of such fees as may be determined by the Director, with the concurrence of the Financial Secretary, to represent the additional expense in administration to the Government departments concerned, and may, as a condition of authorizing the payment of any contribution at a date later than that upon which the wages or other pecuniary remuneration for any part of the period in respect of which the contributions payable are paid, require the making of such deposit of money by way of security as the Director may approve.

(b) The provisions of the Contributions Regulations shall, subject to the provisions of the arrangements, apply to any persons affected by the arrangements, and any contravention of any requirement of the arrangements shall be deemed to be a contravention of those regulations.

(5) An insured person who is entitled to pay contributions as a voluntary contributor shall-

(a) obtain from the Director a voluntary contribution schedule in such form as the Director may direct for the contribution quarter which includes that week,

(b) return his contribution schedule for that quarter duly completed, to the Director or such other person as he may require within 15 days following the expiration of that quarter together with a remittance for the voluntary contributions payable by him in respect of any weeks in that quarter.

(5A) An insured person who is entitled to pay a contribution as a voluntary contributor in respect of any weeks in any quarter may remit the same to the Director or such other person

as the Director may require at such intervals less than a contribution quarter as may be agreed by the Director.

(6) *Revoked.*

(7) Where in any contribution week a contribution is payable in respect of an employed person under the Act, and such person is also liable to pay a contribution as a self-employed person, only the former contribution shall be payable.

Contribution schedules as respects self-employed persons.

4A.(1) An insured person who is liable to pay a contribution as a self-employed person in respect of any week shall, immediately after such liability arises, register with the Director or such other person as he may require, and shall obtain from the Director a contribution schedule in such form as the Director may require for the contribution quarter which includes that week.

(2) Such schedule, whether produced manually or electronically, or whether contained on paper or such other medium as may be approved by the director, shall be in such form as the director may specify for a self-employed person.

(3) A self-employed person, on obtaining the contribution schedule, shall become responsible for the custody thereof so long as the liability to pay contributions continues or until the contribution schedule is delivered to the Director or such other person as he may require, or retained by an inspector, in accordance with these regulations or any other regulations made under the Act.

(4) The person for the time being responsible for the custody of the contribution schedule in accordance with these regulations, or any person having in his possession or under his control any contribution schedule issued in respect of a self-employed person, shall produce it for inspection at any reasonable time when required so to do by an inspector, and if so required shall deliver up the contribution schedule to the inspector who may, if he thinks fit, retain it. The inspector shall acknowledge receipt in writing for any contribution schedule retained by him.

(5) Every self-employed person shall deliver to the Director or such other person as he may require the contribution schedule for that quarter so that the schedule, containing such information as the Director may require for determining the periods and the amount of the contribution payable by that person, is received within the fifteen days next following the expiration of each contribution quarter.

(6) Each completed contribution schedule shall either be signed, or if not on paper, shall be accompanied by a document signed, by the self-employed person or by any other person duly authorised by him in that behalf, containing a declaration by the self-employed person or such

other person that to the best of his belief the information contained in the contribution schedule is true.

Payment of contributions.

4B.(1) A self-employed person shall record on the appropriate contribution schedule for the contribution quarter in which contributions are due the class, number of contributions and total amount due in respect of any contribution week within seven days next following the end of every month.

(2) A self-employed person shall pay to the Director within fifteen days next following the expiration of that month the amount due for the contributions recorded in accordance with the foregoing provisions of these regulations as being payable.

Assessments by Director of contributions owing.

4C.(1) Where it appears to the Director that any employer or self-employed person liable to pay contributions under these regulations has not done so, or has done so at an amount less than that which ought reasonably to have been paid, the Director may assess such person at such amount or additional amount as according to his judgment ought to have been paid.

(2) The Director shall cause to be served personally on or sent by registered post to each employer or self-employed person to whom sub-regulation (1) applies, a notice stating the amount of contributions payable by him, the place at which such payment should be made, and informing him of his rights under this regulation

(3) If any employer or self-employed person disputes an assessment made under sub-regulation (1) he may appeal against that assessment by notice in writing addressed to the Director within 14 days from the date of the service of the notice of assessment.

(4) If the employer or self-employed person disputing the assessment was prevented from making the appeal within the specified period owing to absence from Gibraltar, sickness or other reasonable cause, he may apply to the Director for the appeal to be brought out of time: and where the Director is satisfied that the applicant was so prevented and that the application was made thereafter without unreasonable delay the Director shall consent to the application.

(5) Notice of any amended assessment as determined on an appeal under sub-regulation (3) shall be served by the Director on the appellant, either personally or by registered post; and any additional contributions shall be due and payable in full within one month after such service.

(6) Where no valid appeal has been lodged within the time limit set out in this sub-regulation (3) or where the amount of such contribution has been determined or confirmed on appeal, the

assessment as made or agreed to or determined or confirmed on appeal as the case may be, shall be final and conclusive for all purposes relating to the principal Act.

Application of the Employment Injuries (Contributions) Regulations.

5.(1) Subject to the provisions of sub-regulation (2), the provisions of regulation 9 to 12 of the Contributions Regulations shall apply in relation to contributions under the Act as they apply in relation to contributions under the Social Security (Employment Injuries Insurance) Act.

(2) There shall be substituted for the provisions of regulation 12 of the Contributions Regulations the provision that in calculating the amount of any repayment to be made to an insured person or an employer, there shall be deducted the amount, if any, paid to that person (and to any other person on the basis of the erroneous belief that led to the refund) by way of benefit which would not have been paid had the contributions (in respect of which an application for their return is duly made) not been paid in the first instance.

Disposal of contributions improperly paid.

6. Where contributions are paid under the Act at the wrong rate, the Director may treat them as paid on account of the contributions properly payable or on account of contributions under the Social Security (Employment Injuries Insurance) Act, and where contributions are paid under that Act, which are not payable, he may, notwithstanding anything in that Act, treat them as paid on account of contributions under the Act.

Recovery of contributions.

7.(1) In any case where an employer or an insured person has been convicted of the offence against section 4(5) of the Act of failing to pay a contribution, he is, in addition to any penalty which may be imposed under the Act, liable and may be ordered by the court to pay to the Fund a sum equal to the amount which he failed to pay.

(2) In any case where—

- (a) an employer or an insured person is convicted of an offence against section 43(1)(b) of the Act, or of an offence against section 10 of the Stamp Duties Act, or of an offence against regulations made under the Act; and
- (b) the evidence on which he was convicted shows that he, for the purpose of paying any contribution which he was liable or entitled to pay prior to the coming into force of the Social Security (Miscellaneous Provisions) Act (hereinafter “the amending Act”), has affixed to any insurance card any used insurance stamp within the meaning of section 43(1)(b) as it stood prior to the coming into force of the amending Act,

he is liable and may be ordered by the court to pay to the Fund a sum equal to the amount of the contribution in respect of which the stamp was affixed.

(3) On any such conviction as is mentioned in either sub-regulation (1) or (2), if notice of intention to do so has been served with the summons or warrant, evidence may be given-

- (a) of the failure on the part of the employer to pay on behalf or in respect of the same person other contributions under the Act during the two years preceding the date of the offence, or contributions under the Social Security (Employment Injuries Insurance) Act on that date or during those two years; and
- (b) in the case of such conviction as is mentioned in sub-regulation (1), of the failure on the part of the employer to pay any contributions referred to in the preceding paragraph on behalf or in respect of any other person employed by him,

and on proof of such failure the employer shall be liable and may be ordered by the court to pay to the Fund or, as the case may require, the Employment Injuries Insurance Fund, a sum equal to the total of all contributions under the Act, or, as the case may be, the Social Security (Employment Injuries Insurance) Act, which he is so proved to have failed to pay.

(4) Where an employer or an insured person is charged with any such offence as is mentioned in sub-regulation (1) or (2), and an order is made under Part IX of the Criminal Procedure Act (which Part deals with the discharge and probation of offenders), the foregoing provisions of this regulation shall apply as if the making of the order were a conviction.

(5) Any sum ordered to be paid to the Fund or the Employment Injuries Insurance Fund under this regulation shall be recoverable as a penalty.

(6) Any sum paid by an employer under the foregoing provisions of this regulation shall be treated as a payment in satisfaction of the unpaid contributions, and no part thereof shall be recoverable by the employer from the insured person.

(7) If the employer, being a body corporate, fails to pay to the Fund or the Employment Injuries Insurance Fund any sum which the employer has been ordered to pay under this regulation, that sum, or such part thereof as remains unpaid, shall be a debt due to the Fund or the Employment Injuries Insurance Fund, as the case may be, jointly and severally from any directors of the body corporate.

(8) Nothing in this regulation shall be construed as preventing the Director from recovering any sums due to the Fund or the Employment Injuries Insurance Fund by means of civil proceedings.

Late paid or unpaid contributions.

8.(1) Where a contribution under the Act payable by an employer on behalf of an insured person is paid after the due date or is not paid, and the delay or failure in making payment thereof is shown to the satisfaction of the Director not to have been with the consent or connivance of, or attributable to, any negligence on the part of the insured person, the contribution shall, for the purpose of any right to benefit, be treated as paid on the due date.

(2) In any other case, including the case of a contribution, which an insured person is entitled, but not liable, to pay, a contribution under the Act paid after the due date shall be treated—

- (a) if paid before the expiry of the period of grace—as paid on the due date;
- (b) if paid after the expiry of the period of grace—as not paid.

Payments after death.

9. If a person dies, any contributions which immediately before his death he was entitled, but not liable, to pay if he so desired, may be paid notwithstanding his death, subject, however, to the same provisions with respect to the time for payment as were applicable to that person.

PART III.—CREDITS.

Unemployment.

10.(1) Subject to the provisions of these regulations, a contribution as an employed person shall be credited to an insured person for any week of unemployment if Condition I or Condition II of the Schedule has been satisfied:

Provided that if Condition II is not satisfied, it shall be deemed to be satisfied if the insured person proves to the satisfaction of the Director that he has become unemployed following employment in an employed contributor's employment and that he will normally rely upon such employment for his livelihood.

(2) For the purposes of this regulation, a day shall not be treated as a day of unemployment if it is a day in respect of which the person concerned fails to prove, in such manner as the Director may require, that he is unemployed and capable of work and available for employment in an employed contributor's employment.

(3) A person who, in respect of any period of unemployment, has been entitled to credits under this regulation for twenty-six weeks, shall not thereafter be entitled to such credits (whether in the same or a subsequent period of unemployment) unless he has requalified by

11.(1) Subject to the provisions of these regulations, a contribution as an employed person shall be credited to an insured person for any week of incapacity for work if Condition I or Condition II of the Schedule is satisfied:

Provided that if Condition II is not satisfied, it shall be deemed to be satisfied if the insured person proves to the satisfaction of the Director that he became incapable of work following employment in an employed contributor's employment, and that he will normally rely on such employment for his livelihood.

(1A) Subject to the provisions of these regulations a contribution as a self-employed person shall be credited to an insured person for any week of incapacity for work if Condition III or Condition IV of the Schedule is satisfied:

Provided that if Condition IV is not satisfied, it shall be deemed to be satisfied if the insured person proves to the satisfaction of the Director that he became incapable of work following employment as a self-employed person, and that he will normally rely on such employment for his livelihood.

(2) For the purposes of this regulation, a day shall not be treated as a day of incapacity for work if it is a day in respect of which the person concerned fails to prove, in such manner as the Director may require, that he is incapable of work by reason of some specific disease or bodily or mental disablement.

(3) A person who, in respect of any period of incapacity, has been entitled to credits under this regulation for twenty-six weeks, shall not thereafter be entitled to such credits (whether in the same or a subsequent period of incapacity) unless he has requalified by being employed in an employed contributor's employment or in self-employed contributor's employment for a period of, or periods totaling, thirteen weeks.

(4) For the purposes of this regulation, any two days of incapacity, whether consecutive or not, within a period of six consecutive days (excluding Sundays) shall be treated as a period of incapacity, and any two such periods not separated by a period of more than thirteen weeks shall be treated as one period of incapacity.

- (5) Notwithstanding sub-regulation (3), where—
- (a) a person is entitled to credits under this regulation as a direct result of an industrial accident or occupational disease in respect of which he has been or is in receipt of any benefit under the Social Security (Employment Injuries Insurance) Act; and
 - (b) as a result of that industrial accident or occupational disease he continues, to the satisfaction of the Director, to be incapacitated for work—

that person shall continue to be entitled to such credits for so long as such incapacity for work continues.

- (6) Notwithstanding any other provision in this regulation, where—
- (a) an insured person satisfies Condition V or Condition VI of the Schedule; and
 - (b) as a result of physical or mental incapacity, the insured person is totally incapable of work; and
 - (c) the Director is satisfied that such total incapacity is permanent—

a contribution as an employed person or as a self-employed person, as the case requires, shall be credited to the insured person for any week of incapacity for work.

(7) Where an insured person claims credits under sub-regulation (5) or sub-regulation (6), the Director may require him to be examined by the Medical Board constituted by section 35 of the Social Security (Employment Injuries Insurance) Act in order to determine whether or not the insured person is incapacitated and whether or not such incapacity is the direct result of an industrial accident or occupational disease or is total or permanent, as the case may be.

(8) An insured person who is dissatisfied with the decision of the Medical Board in any examination made under sub-regulation (7) may appeal against that decision to the Medical Appeals Tribunal constituted by section 35 of the Social Security (Employment Injuries Insurance) Act.

(9) The provisions of the Social Security (Employment Injuries Insurance) Act relating to determinations by the Medical Board, and to appeals to and determinations by the Medical Appeals Board, and to questions of law arising in consequence of any such determinations, shall apply to determinations under sub-regulations (7) and (8) in the same manner as they apply to determinations under that Act.
