Meaning of beneficial owner.

3.(1) A "beneficial owner" means any individual who receives an interest payment or any individual for whom an interest payment is secured, unless he provides evidence that such payment was not received or secured for his own benefit, that is to say that—

- (a) he acts as a paying agent; or
- (b) he acts on behalf of—

 - (ii) an entity which is taxed on its profits under the general arrangements for business taxation;

(3) Where this subsection applies, the paying agent must—

- (a) take reasonable steps to establish who is the beneficial owner in accordance with section 8(2); and
- (b) where the paying agent is unable to identify the beneficial owner, it shall treat the individual who receives an interest payment or for whom an interest payment is secured as the beneficial owner.

(2) A paying agent is any economic operator who pays interest to or secures the payment of interest for the immediate benefit of a beneficial owner, whether the economic operator is the debtor of the debt claim which produces the interest or the economic operator charged by the debtor or the beneficial owner with paying interest or securing the payment of interest.

(5) Where an economic operator in Gibraltar pays interest to, or secures interest for, an entity referred to in subsection (3) which is established in a Member State and which is considered a paying agent under this section, the economic operator shall communicate the name and address of that entity and the total amount of interest paid to, or secured for, that entity to the competent authority appointed under section 6(1), which shall pass this information on to the competent authority of the Member State where the entity is established.

(6) The entity referred to in subsection (3) may be treated for the purposes of this Act as a UCITS as referred to in subsection (4)(c), if it fulfils the condition in subsection (7).

(7) The exercise of the option referred to in subsection (6) shall require the entity to present to the paying agent or economic operator a certificate issued by the Member State in which that entity is established that it is to be treated as if it were a UCITS recognised in accordance with the UCITS Directive.

Election by an entity to be treated as a UCITS.

5.(1) An entity established in Gibraltar may obtain a certificate to the effect that it is to be treated as a UCITS recognised in accordance with the UCITS Directive for the purposes of the Savings Directive in accordance with this section.

- (d) a signed and dated declaration by the person giving notice to the effect that it is to the best of his knowledge correct and complete.

(4) The competent authority appointed under section 6(1) will issue a certificate to that entity confirming that it is to be treated as if it were a UCITS recognised in accordance with the UCITS Directive for the purposes of the Savings Directive and that certificate shall have effect from the date specified in that certificate.

(2) Income mentioned under subsection (1)(d) is included in the definition of interest only to the extent that such income corresponds to gains directly or indirectly deriving from interest payments within the meaning of subsection (1)(a) and (b).

(3) The following shall not constitute an interest payment—

- (a) any income falling within subsection 1(c) and (d), where the investment whether direct or indirect in debt claims referred to in subsection 1(a) of entities referred to in subsection 1(c)(i) to (iii) whether established within Gibraltar or in a member State which has also provided for this derogation has not exceeded 15 % of their assets;

(4) Where a paying agent has no information concerning the proportion of income falling under subsection (1)(c) and (d) which derives from interest payments, the total amount of the income shall be considered an interest payment.

(5) In respect of interest payments described in subsection (1)(d)—

- (a) where a paying agent has no information concerning the percentage of the assets invested in debt claims or in shares or units as defined in subsection (1)(d), that percentage shall be considered to be above 40 %;
- (b) where a paying agent cannot determine the amount of income realised by the beneficial owner, the income shall be deemed to correspond to the proceeds of the sale, refund or redemption of the shares or units.

(6) When interest as defined in subsection (1) is paid to or credited to an account held by an entity to which section 4(3) applies such entity not having qualified for the option under section 4(6), it shall be considered an interest payment by such entity.

(7) From 1 January 2011 subsections (1)(d) and (5) shall have effect with the substitution of “25”% for “40”%.

(8) The percentages referred to in subsection (1)(d) and (3) shall be determined by reference to the investment policy as laid down in the fund rules or instruments of incorporation of the undertakings or entities concerned and, failing which, by reference to the actual composition of the assets of the undertakings or entities concerned.
