EXPLANATORY MEMORANDUM

These regulations amend the Traffic (Licensing and Registration) Regulations in order to–

- change the fee to be paid in respect of vehicle licences in respect of classic motor vehicles to nil; and
- enable owners of classic motor vehicles to choose to have an old style registration mark (as set out in Schedule 3 and required by regulation 16) rather than the more modern registration mark (as set out in Schedule 3A and required by regulation 16A).
