Parking Scheme Establishment Order 2011

This version is out of date

In exercise of the powers conferred on me by regulation 8 and all other enabling powers of the Traffic (Parking and Waiting) Regulations 2011 I have established a Parking Scheme within the North District as set out below–

Parking facilities in the North District Zone are divided into four types:

1. Free motor cycle parking in which anyone can park free of charge;
2. Free car parking in which anyone can park free of charge;
3. Pay and Display parking at which cars may be parked on payment of a charge by purchasing a ticket from the ticket machine. The ticket must be displayed at the front windscreen in a manner that it can be read from outside the car;
4. Car parking spaces, both on the street and on the top floor of Phase 1 of the Devil's Tower Road multi storey car park, in which those who meet the following requirements may park-
 - (a) live within this Zone and who hold a permit may park. This parking is free of charge;
 - (b) hold an "All Zones Residential Parking Permit for Commercial Vehicles" issued by Gibraltar Car Parks Ltd; or
 - (c) hold an "All Zones Residential Parking Permit for Disabled Badge Holders" issued by Gibraltar Car Parks Ltd.

Residents Permit Holders will also be issued with a plastic card that allows them free access to the Residents Only top floor of the Devil's Tower Road Car Park.

A "Residents' Only Parking Permit", which may be obtained from Gibraltar Car Parks Ltd, allows a holder to park in any general "Residents' Permit Holders Only" parking area within the Zone as set out below:

- "North District Residents' Parking Permit"

Holders of this permit may park in any "North District Resident Permit Holders Only" parking area and the Residents' Only Level of the Devil's Tower Road Car Park only and not within "North District Laguna Estate Resident Permit Holders Only", "North District Catalan Bay Resident Permit Holders Only", or "North District Both Worlds Resident Holders Only" parking areas.
